

Pre-Kindergarten Math Games

Number Memory Game Directions

Learning Objectives

1. To reinforce numeral recognition skills.
2. To improve memory and attention skills.

1. Mix up two sets of cards, numerals 1-10.
2. Lay them in rows, face down.
3. Turn over any two cards.
4. If the two cards match, keep them.
5. If they don't match, turn them back over, returning them to the same spot.
6. Remember what was on each card and where it was.
7. Watch and remember during the other player's turn.
8. The game is over when all the cards have been matched.
9. The winner is the person with the most matches.
10. Play it again with numerals 11-20
