Re: WMS Lunchtime Procedure

Dear Families:

Please be informed that Woodmere Middle School does not have an open campus procedure for lunch. Children are expected to remain on school premises and to eat lunch in the cafeteria with their peer group, unless there is an extenuating condition that has been discussed in advance with administration.

Please be further advised that lunch cannot be ordered in, nor can we call students from their classrooms unless it is an emergency.

Lunch may not be dropped off at school for a student, unless there are extenuating circumstances that have been previously discussed with building administrators.

Finally, please be aware that birthday celebrations are NOT permitted in the cafeteria as they are disruptive to the school environment. Birthdays are acknowledged in our daily announcements and on a monthly calendar that is posted in the building. Please do not drop off food for celebrations as this is not permitted.

Thank you for your cooperation.

Sincerely yours,

Al Bauer, Ed.D.
Principal
