Good afternoon,

Although your child's 8th-grade graduation is still several months away, it will surely be here before we know it!

In an effort to collect an accurate measurement of your child's height for their graduation gown, we have created a Google Form for you to enter this information into.

Please utilize your child's school email address to access and respond to this Google Form, as it will only allow you to access the form if you log in using your child's Hewlett-Woodmere district email address.

Once you click on the form, you will see a dropdown menu. Utilizing the dropdown menu, you will select your child's current height. If you are unsure, please take the time to properly measure.

Thank you for your time & assistance in helping us prepare for a very special, memorable graduation for your child!

**It is important that we receive this information no later than Wednesday, February 15th, 2023.**

Best Wishes,  
Ms. Rosenberg & Mrs. Rugen
