Dear Members of the Hewlett-Woodmere Community,

I hope this letter finds you well and enjoying the beautiful spring weather.

It is so hard to believe that there are only two months left of the 2022-2023 school year. Soon, our end-of-year events will begin with a flourish.

Although there is nothing quite as exciting as a snow day, our mild winter allowed the District to retain all of our weather emergency days this year. I think it is safe to say that snow will not be in any upcoming forecasts!

I am happy to share that **the District will now be closed on Friday, May 26**, allowing students and staff to enjoy a four-day Memorial Day Weekend!

Please remember to honor the service men and women who sacrificed their lives for our freedom during the extended holiday weekend. It is so important that we keep them top of mind as we share good times with family and friends.

We hope that your plans include joining us for the Memorial Day Parade that steps off at 9:00 AM on Monday, May 29. More information will be shared as the date approaches.

I look forward to seeing you at our upcoming events and celebrations.

Warm regards,

Ralph Marino, Jr.
