UNMANNED AERIAL VEHICLES (DRONES)

The Board of Education recognizes its responsibility to provide a safe environment for its students, staff, and community members. To maintain a safe environment, the Board of Education seeks to regulate the use of unmanned aircraft or aerial systems in or at the school district's facilities to foster a safe environments. As such, the School District prohibits the use or possession of unmanned aircraft or aerial systems (UAS), also known as drones, for any purpose by any person or entity at all events on the grounds of the School District.

This prohibition applies to the area above and upon all spectator areas, fields of play, courts, mats, parking areas and/or other property on the grounds of the School District which is not a covered structure.

For purposes of this policy, a UAS is any unmanned airborne device or aircraft weighing less than 55 pounds on takeoff, including everything that is on board or otherwise attached to the aircraft. The School District reserves the right to refuse admission to anyone operating or attempting to operate a UAS or to request the immediate removal of any person using or attempting to use a UAS in violation of this policy.

The School District reserves the right to grant an exception to this policy to law enforcement, public safety agencies, or other individuals or entities. Any request for an exception to this policy must be submitted to the Superintendent at least two (2) weeks prior to the event. Any use granted under this provision must comply with the applicable FAA regulations.
